LICENSE

All original texts and graphics of the dive book and CD are published under the Creative Commons NonCommercial-ShareAlike license v1.0. The licensor permits others to copy, distribute, display, and perform the work. In return, licensees may not use the work for commercial purposes -- unless they get the licensor's permission. The licensor permits others to distribute derivative works only under a license identical to the one that governs the licensor's work. A summary is below, and the full license is available at <http://kop.fact.co.uk/DIVE/cd/dive/disclaimer.html>.

Most programs and art works included in the dive CD, with the exception of several works included with the authors' express permission, are also published under an open license. For the exact conditions for copying/distributing/modifying, please refer to the license attached to each program or art work, generally included as a file named license.txt.

*****Summary of NonCommercial-ShareAlike License*****

You are free:

- * to copy, distribute, display, and perform the work
- * to make derivative works

Under the following conditions:

Noncommercial . You may not use this work for commercial purposes.

Share Alike . If you alter, transform, or build upon this work, you may distribute the resulting work only under a license identical to this one. For any reuse or distribution, you must make clear to others the license terms of this work.

Any of these conditions can be waived if you get permission from the author.

Your fair use and other rights are in no way affected by the above.
